Letter No × 370 dated 17 November 1901 from the Superintendent of City Hospitals in regard to the application of Ah Bo alias Sugura Chas, Manager of the City municipal office for one year's furlough

---

From the above it appears that Atsugara Chas having been found very weak. he was sent to the Civil Surgeon Superintendent District for Medical examination & he pronounced him unfit for further service

Subsequently Captain Lt Col Wheeler, the Deputy Surgeon, under whom the Manager placed himself for examination granted him a certificate to the effect that the Manager

would be quite fit for further service after a period of one year's rest. Upon the strength of the latter certificate Thasungavachari applied for one year's furlough. The President submits the application for orders.

The first prayer requires no orders. The break of 8 months during which Alasingacharlu was unemployed being on account of loss of appointment owing to reduction of establishment, as he says, is no "interruption" which entails forfeiture of past service and as such needs no condonation (art. 273 A. d). The previous service will necessarily be added on to his subsequent service in calculating his pension. But this will have to be verified when the pension application is received.

this deficiency exceeds twelve months. So it cannot be condoned (art: 275A)

4th prayer. He prays for a special pension of Rs 3½ half of his present pay. This requires special ord of Govt under art 480 (4)
of the service Regulations.

Sir,

I have the honor to state that as the Chasing-railway manager City Municipal office was found very weak, he was sent for medical Examination to the Civil Surgeon Mysore District who granted a certificate that the manager is unfit for further service. A copy of the same is herewith submitted for reference.

Subsequently the manager placed himself under Captain C. Carr- while the surbon Surgeon, who has granted him a certificate stating that the manager to be quite fit to resume his duties after period of one years rest upon the strength of this certificate the manager has applied for

for a year's furlough. He is entitled to two year's furlough under article 220 of the Mysore Service Regulation. His application with a copy of the second certificate is herewith submitted for perusal and issue of instructions as to how to act under such circumstances.

A copy of my D.O to Captain Carr while and of his reply of this day's date is also enclosed for kind perusal. If Government are pleased to grant relaxation for one year's furlough, I beg to recommend that Gullamah Head accountant of the district Treasury, may be appointed to act as manager in the city municipal office, the pay of which is Rs 50/- raising to Rs 70/- by an annual increment of Rs 5/-. Gullamah is now getting Rs 50/- and appears to me to be qualified for the said appointment.

I may in this connection invite reference to para 6 of this office letter No 270 dated the 28th October 1900 in which

which among others proposals it was
commended to fix the pays of the manager
at Rs 50 once for all. If this is done, it
will not be possible to secure a competent
man for the appointment. In case of a
having a permanent Health officer to
supervise the conservancy establishment,
it will not be necessary to have a Collector
as originally proposed. I beg therefore to
recommend that the pay of the manager
may be retained as at present namely
Rs 50 raising to Rs 70 by an annual in
crement of Rs 5.

I have the honor to be

through the Vice President-

Respected Sir,

I beg to state that I served in the Mysore Public Works Department for 14 years and in the Mysore City Municipality 8 years, thus I have put in full 22 years service. My present age is only 46 years and 2½ months I am now entitled to 2 years furlough and a 4 months privilege leave at my credit.

While I was working in the office as usual, I was asked by the Vice-President to appear before the Civil Surgeon for medical examination as to my fitness for further work. I then I appeared before Doctor Krishna Rao, I requested him to place me under

then form an opinion about my health
and he did not like to do so.

Last year when plague was raging
in the city, I was attacked with a curious
sort of fever, which made me very weak.
I took 3 months leave and changed
climate by going to out stations where
I recruited my health and gained
some strength too.

Then I rejoined my appoint-
-ment and have been discharging
my duties up to date. While such is
the case, Doctor Chetyala Rao without
even feeling my pulse and without examining
without
keeping me under observation, in haste
expressed his opinion that I am not
fit for further work.

So make myself sure whether I
may be cured my sickness and
whether I may be fit for further work,
I placed myself under Captain P Carr-
-white, Durbar Surgeon, who thoroughly
examined every limb of my body
and even urine and expressed his
opinion that I may be restored to

former health and be able to resume my work after a rest of full one year. A copy of certificate granted to me by final officer is herewith submitted for perusal.

Therefore I humbly request you will kindly grant me one years ~~~ furlough on medical certificate under article 220 of Mysore Service Regulation

For which act of kindness I shall ever pray for your long life and prosperity.

I beg to remain,

I hereby certify that Mr Elassiagraliar Manager municipal office is suffering from debility, he is extremely weak and at present unfit for work, I consider a one years leave necessary for him to recruit his health and am of opinion that he will be quite fit to resume his duties after that period. He has no paralysis or organic disease.

Dear Sir,

I send for your kind perusal and obliging return an application from Ekla singrachary enclosing a copy of a medical certificate purporting to have been granted by you. I also enclose another certificate granted to the same individual by the Civil Surgeon (for obliging return) and be to know if you were made aware of the grant of this last-mentioned certificate before you were asked by Ekasingrachary for your own certificate in his case. The two conflict and this is my reason for troubling you in the matter.

An early reply will oblige.

Dear Sir,

I granted Mr. Adam Jagannatha the certificate enclosed.

I was not aware that he had been previously seen and granted a certificate by the Civil Surgeon. Mr. Narasingrathna did not ask me for a certificate but after examining him I came to the conclusion that a year's leave would be necessary, asked him what furlough was due to him and withdrew the certificate to support his application.

I could find nothing radically wrong with him except extreme debility. I fancy the fever he says he suffered from must have been Plague.

I could not detect any paralysis of the legs, he is weak and shaky on his legs.

Yours Sincerely,

Letter No.370 dated 17th November 1901 from the President, Municipal Commission, Mysore City, submitting the application of M. A. Alasingrachar, Manager of the Municipal Office for one year's furlough on medical certificate granted by the Durbar Surgeon Captain Carr-White as also the certificate of incapacity granted by the Civil Surgeon of Mysore

Order thereon 13th Dec 1901.

The question for determination in this case is which of the two certificates granted to Alasinga-rachar has to be accepted. As Mr. Achutha Row is the Civil Surgeon of the District, his opinion as regards the fitness or ~~otherwise~~ for further service of any official, who was sent for examination by his immediate superior, must be accepted as final. In the case under notice, the Manager should not have gone to Captain Carr-White without the permission of his superior and ~~placed himself under his treatment. After having done so, he must have~~ shown Mr. Achutha Row's certificate to ~~Captain Carr White be-fore obtaining another from the lat-ter.~~ The Government are therefore constrained to remark that the Man-ager's conduct is most irregular and unsatisfactory and that the resp-

received at the Dewan's office from the said Alasingrachar 1057

11348/49
L.7.105—95 9/1/1902

uncovered a certificate from him

the Durbar Surgeon

President should not have accepted the certificate granted by the Durbar Surgeon without ~~any~~ requisition ~~from the former~~. Moreover Captain Carr-White had nothing whatever to do with the treatment of, and the granting of certificates to, the officials in the Mysore District, while there is a Civil Surgeon ~~attached to it~~.

~~Under~~ the foregoing circumstances, Government ~~must~~ accept the opinion ~~of a responsible officer of the position~~ of the Civil Surgeon attached to the District, ~~and in accordance with his certificate~~ [~~by which~~ that the Manager is ~~in~~ validated in consequence of paralysis, ~~but not on account of general debility in which latter case a second certificate might be necessary, they would~~] direct Alasingarachar's retirement from the service,

Secretary.

The President, Municipal Commission, Mysore City.

Comptroller.
